YLD Resolution 20-1YL- Constitutional Procedures to Challenge Terrorist Screening Database (Submitted by the YLD Homeland & National Security Committee): This resolution urges federal executive authorities to develop and implement a redress procedure that
permits individuals listed on the “Watchlist” subset of the Terrorist Screening Database (TSDB) to challenge their listing, consistent with constitutionally-sufficient procedural due process requirements, extending to those Watchlist-listed individuals a similar level of due process that has been developed for the “No Fly List” subset of the TSDB under the Traveler Redress Inquiry Program (TRIP).

YLD Resolution 20-2YL- Fixing Temporary Expanded Public Service Loan Forgiveness (TEPSLF), (Submitted by Chris Jennison): This resolution urges Congress to support fixes in Public Service Loan Forgiveness (PSLF) eligibility to include borrowers under certain plans beyond the current fixed dates.

HOD Resolution 119– In School Mental Health Support (Submitted by the ABA YLD): This resolution urges federal, state, local, territorial, and tribal legislatures and school districts to appropriate and allocate funds to identify and address mental health problems experienced by youth as a result of racism, poverty, and living in high crime communities.

HOD Resolution 116– Recognize Tribal Criminal Jurisdiction (Submitted by the ABA Commission on Domestic and Sexual Violence, Section of Civil Rights & Social Justice, National Native American Bar Association & National Conference of Specialized Court Judges): This resolution urges Congress to amend and reauthorize the Violence Against Women Act as reflected in H.R. 1585 (as passed) and S. 2843 (as introduced), or similar legislation, that specifically provides funding to tribal governments and recognizes the inherent authority of American Indian and Alaska Native governments to prosecute non-Indian perpetrators of crimes arising from gender-based violence, while ensuring that due processes rights are protected as set forth in section 234(c) of the Tribal Law and Order Act, Public Law 111-211.

HOD Resolution 111 – Protection of Real Property Interest (Submitted by the ABA Section of Real Property, Trust and Estate Law): This resolution urges federal, state, local, territorial and tribal governments, and their respective agencies and departments, to protect real property interests, including common law trespass and privacy rights, with respect to any statute, ordinance, regulation, administrative rule, order, or guidance pertaining to the development and usage of unmanned aircraft systems over private property.

REPORT OF THE YLD CHAIR- ELECT
Constitutional Amendment 11-5 (Submitted by the Section of Legal Education and Admissions to the Bar): This Resolution amends the ABA YLD’s Bylaws such that all gender binary language (she/her/hers & he/him/his) is changed to gender nonbinary terms (they/them/their), to help effectuate Goal III of the ABA Diversity Plan. Changing gender binary language promotes sexual orientation & gender identity diversity in ABA membership by making the Bylaws non-exclusionary and more welcoming to gender nonbinary persons. Some other minor grammatical changes will also be necessary when amending the Bylaws to they/them/their.
