Christine is the Vice President and General Counsel of Balfour Beatty Infrastructure, Inc., and Balfour Beatty Construction, LLC (collectively “Balfour Beatty Construction Services US”). The companies are the U.S. subsidiaries of London-based Balfour Beatty plc (LSE: BBY), a leading international infrastructure group that finances, develops, builds and maintains complex building programs focused on social and commercial buildings, power and utility systems, and transportation. Balfour Beatty Construction Services US with combined revenues of over $4 billion, was ranked 12th overall by *Engineering News-Record* as one of the “Top 400 Contractors in the United States” for 2016.

Balfour Beatty Infrastructure, Inc. (“BBII”) delivers world-class engineering and construction expertise for transportation and water projects throughout North America. With more than 1200 employees, its major operations are in California, the Carolinas, Georgia, Florida, Colorado, the Mid-Atlantic and Texas,

Balfour Beatty Rail, a division of BBII, is a rail infrastructure contractor specializing in construction and maintenance services for the public and private railroad markets. Balfour Beatty Rail offers industry-leading design, signal engineering, construction and maintenance of all forms of rail infrastructure. Balfour Beatty Rail’s regional operating centers are placed strategically across the country so the company is always positioned to respond quickly to client needs.

Fru-Con Construction, a division of BBII, is major player in the construction of water and wastewater treatment plants. The company operates in Virginia, Maryland, Washington, DC and Texas.

Balfour Beatty Construction, LLC, an industry leader for more than 80 years, provides general contracting, at-risk construction management, and design-build services for a wide variety of markets, serving clients in both the public and private sectors. Consistently ranked among the nation’s largest building contractors, Balfour Beatty Construction has been cited as a Top 10 Domestic Building Contractor and Top 10 Green Builder by *Engineering News-Record*. 
Christine has extensive experience in the area of construction law, including the negotiation, mediation and arbitration of large and complex construction-related legal matters. Prior to joining Balfour Beatty, she was the head of Venable LLP’s Construction Law Group, based out of Venable’s Northern Virginia office. Christine obtained her JD from the George Mason University School of Law.

In addition to her membership in the College, Christine holds multiple bar admissions and is a panel member of the American Arbitration Association. She also played an integral role in founding the Construction Industry Ethics & Compliance Initiative, a non-profit association of U.S. construction industry participants dedicated to the promotion of integrity and ethical conduct in the construction industry and is the current Treasurer.
