INSTITUTE

SEPTEMBER 4-6, 2019

About the Program

The Southeastern White Collar Crime Institute will be a two-day program featuring topflight practitioners from around the nation covering topics such as health care fraud, securities enforcement, public corruption prosecutions and investigations, economic crimes, and cybercrime and economic espionage prosecutions. There will be ample networking opportunities, as well as down time to take advantage of the numerous amenities and activities of the host resort.

Why Sponsor?

This program draws expert speakers from around the country to meet and share professional experiences and concerns in a non-adversarial setting. Sponsors at this year's program can expect exposure to leading attorneys, regulators, prosecutors, criminal defense attorneys, as well as other experts in the field of white collar crime.

What Sponsorships Do . . .

- BUILD long-term relationships with key players in the field of criminal law;
- ENHANCE your organization’s exposure in the criminal law arena;
- CREATE a value investment for your organization through co-branding with the ABA Criminal Justice Section; and
- HIGHLIGHT and REINFORCE your organization’s position as a leader in the profession.

Sponsoring early will help to ensure maximum visibility for your firm, company, or organization in the following on-line & print media leading up to the Institute:

- CRIMINAL JUSTICE SECTION NEWSLETTER – printed three times per year, mails to 10,000+ members and is available on-line publicly;
- CRIMINAL JUSTICE SECTION MAGAZINE – printed four times per year, mails to 10,000+ members and is available on-line publicly;
