10:45-11:35  BENEFIT CLAIMS – PART I: ADMINISTRATIVE PROCEDURES
ERISA requires extensive procedures for the processing of claims and appeals, and a near-universal prerequisite to bringing suit when benefit claims are denied is the pre-suit appeal required by 29 U.S.C. § 1133. This program will cover the statutory basis for pre-suit appeals, when such appeals may be excused, and the rules and regulations governing pre-suit appeals.

This program will then address what occurs when suit is filed for benefits under an ERISA plan, including exhaustion, evidence the district court may consider, the judicial standards of review applied in benefit claims litigation, and the doctrine of conflict of interest. The panel will address procedural issues and strategies to be considered by both the claimant and the plan/plan sponsor in the review process and in litigation.

Bennett P. Allen, Cook & Logothetis, LLC

2:05-3:05  DISCRIMINATION IN AND INTERFERENCE WITH EMPLOYEE BENEFITS
The breadth of protections under ERISA, the Affordable Care Act, Title VII of the Civil Rights Act of 1964, the Americans with Disabilities Act, as amended, and the Age Discrimination in Employment Act have been enlarged by recent regulatory actions of the EEOC, HHS, and DOL. This session will review potential claims in litigation including interference with an employee’s employment relationship with the specific intent of interfering with her attainment of benefits or future rights under a plan and retaliation against an employee for utilizing her benefit rights or for complaining about violations of ERISA. Discrimination in the provision of benefits in the design or access to health care, with a particular focus on denial of access on the basis of disability, sex, and sexual orientation also will be discussed. Additionally, the session will review how ERISA overlaps with other federal employment statutes when employees assert that employers have misclassified them under the Fair Labor Standards Act or have altered their terms and conditions of employment in order to avoid mandated benefits or statutory penalties under the Affordable Care Act.

Jennie Arnold, Ledbetter, Parisi LLC
Stacey Cerrone, Jackson Lewis PC
Denise M. Clark, Clark Law Group, PLLC

3:05-4:05  REMEDIES
ERISA remedies have been a vigorously contested battle ground, especially in the wake of Cigna Corp. v. Amara, which reinvigorated the debate over the scope of “appropriate equitable relief” under ERISA § 502(a)(3), 29 U.S.C. § 1132(a)(3). This panel will provide a brief overview of the types of remedies available under ERISA’s major enforcement provisions and then focus on remedies in the post-Amara world. Topics will include recent and pending cases on the scope of monetary relief under § 502(a)(3) as well as plan terms limiting the availability of equitable remedies.
