Dear Employee Benefits Practitioner:

Every year, during the week of the May meeting of the Section of Taxation, representatives of the Joint Committee on Employee Benefits (JCEB) meet in Washington, DC, with various federal agencies with oversight authority over employee benefit plans. This year, the JCEB has confirmed meetings with HHS OCR (April 28, 1:00-2:00pm), the SEC (April 28, 2:00-4:00pm), PBGC (April 29, 2:00-4:00pm) and IRS/Treasury (April 30, 9:00am-12:00pm). Meetings with EEOC (April 27, 2:00-4:00pm), and Labor (April 29, 10:00am-12:00pm) have been requested but have not been confirmed at this point.

As you may be aware, attendance at these meetings is by invitation only. If you would like to be considered to attend any of these meetings, please contact your Section representatives listed at the end and inform them of the meeting(s) you wish to attend. If selected, you will receive an invitation via email by mid-March.

Whether or not you would like to attend, you are also invited to submit suggested topics for discussion with the agencies to the agency scriveners listed below. Please send in your suggestions by February 28.
