Across our nation, legislators, executive branch leaders and judicial leaders are grappling with the issue of bail reform. Risk assessment tools are being touted as valuable assets and resources for the judiciary to use in contemporary pretrial reform. However, substantial criticisms are being raised as to the scientific validity underlying these risk assessment tools.

Our panelists will discuss the value of risk assessments and their limitations, errors, and biases as well as the needed safeguards to prevent injustice if these tools are manipulated.

Moderator:

**Honorable Stephanie Domitrovich, PhD**  
Sixth Judicial District of Pennsylvania, Erie, PA

**Honorable Christina Klineman**  
Marion Superior Court, Indianapolis, IN

Speakers:
