Enter the Library’s Thomas Jefferson Building (10 First Street SE) via the carriage entrance on the ground level (located beneath the large exterior staircase). This is the entrance for reserved tours. Be aware that everyone will need to process through security. We strongly encourage groups to arrive at least 15 minutes ahead of the reserved tour start time. After clearing security, please continue straight ahead to the Visitor Information Desk where Library staff will greet you. The coat check and restrooms are available on this ground level near the desk.
