What was the hot topic at #ABATechshow 2012? What would you like to see next year?

31-Mar-12 22:44 | stevenjbest

@BrianInkster - #ABATechShow - yes I think so - smaller than NewYork LegalTech but better quality and some smart people - more innovation

31-Mar-12 23:51 | nicklightbody

@BrianInkster #ABATechShow #Chicago is a great city to host this show - but #HiltonChicago has little competition hence venue is lazy

@BrianInkster #ABATechShow organisers do a good job - they just need to get tougher with the venue - if they have any choice - they may not
