E-Discovery for the Rest of Us

Presented by:
Brett Burney
Judge John Facciola
Tom O’Connor
E-Discovery is E-Everywhere!
E-Discovery is Everywhere!

- Emails
- Documents
- PDFs
- Spreadsheets
- PowerPoints
- Images
- Videos
- Social Media
- GPS coordinates
- YouTube
- The Internet of Things (IoT)

Electronically Stored Information (ESI)
When is a Case “too small” for E-Discovery?

Trick Question!
Let’s Talks Ethics...

• **VERY** exciting!

• Model Rules and analogous State rules on competency – “**COMPETENCY**”

• California E-Discovery Ethics Opinion
FRCP and State Rules

• The FRCP “E-Discovery” Amendments
• States that have adopted the FRCP amendments
• What is a “Meet & Confer” and why would I want to meet OR confer?
Can I Be Social By Myself?

...or do we have to use e-discovery there too?
The Dangers of Self Collection
Microsoft Outlook is NOT a Document Review Tool!
Cloud-Based Document Review Platforms

Workflow When You Receive a PST File...

1. Make a “working copy”
2. Log into Logikcull
3. Upload the PST as you would upload a picture to Facebook
4. Read the emails and tag appropriately
Re option date - 597086.msg

Subject: Re: option date - 597086

I'm not sure what's going on with these options, but I entered them as 2 PM expiry, then got a message that they were 2 AM from Stephanie Piwetz this morning, changed them AGAIN, and now they're back to 2 AM. I've changed them again, but I honestly have no idea why they keep going back. Please let me know if you see the expiry as 2 PM now.

Thanks,
Kate
