Careers and Pro Bono Opportunities in Child and Youth Advocacy

Thursday, February 6, 2014
2:00 to 3:30 pm
Soldier Field, Bronze Level, West Tower, Hyatt Regency Chicago
Chicago, IL

An important function of the law is to ensure that all members of our society have a voice and that their rights are protected. Children and youth are the future of our society, but unfortunately they are often without a voice in matters that affect them directly. Please join our career roundtable of local and national experts as they discuss the importance of child and youth advocacy and the roles — such as service provider, legal aid attorney, or policy analyst — that lawyers can provide in protecting the rights of children and youth. Our panelists will share their career paths, experiences and pro bono opportunities to interested attorneys and law students.
