

**ADOPTED**

**RESOLUTION**

1 RESOLVED, That the American Bar Association urges federal, state, local, territorial and tribal  
2 governments and the courts to ensure that the electoral process and voting methods are accessible  
3 to persons with disabilities and that polling places are free of physical, technological, and  
4 administrative barriers.

5 FURTHER RESOLVED, That the American Bar Association urges federal, state, local,  
6 territorial and tribal governments to use all appropriate means to improve enforcement of voting  
7 rights for persons with disabilities.

8 FURTHER RESOLVED, That the American Bar Association urges all election officials to  
9 ensure that election personnel and volunteers receive accessibility training and that persons with  
10 disabilities are actively encouraged to serve as election officials and volunteers.
