The Senior Lawyers Division serves experienced lawyers and American families. In doing so, the Division promotes professionalism in the law, is the ABA’s knowledge center for elder law, and assists lawyers and judges transitioning in their careers.

All dues-paying ABA members are automatically enrolled in the Division if they: (a) are 62 years or older, or (b) have been licensed to practice law for 37 or more years in a state of the United States, the District of Columbia, the Commonwealth of Puerto Rico, or a territory or insular possession subject to the jurisdiction of the United States. Other dues-paying members can submit a written request to the Association or the Division to be a member of the Division.

Our members include practicing senior lawyers, elder law practitioners, solos, judges, young lawyers, law students and others.
