FIRM/ORGANIZATION ENROLLMENT FORM

Thank you for your interest in ABA Group Membership—an easy and efficient way for your office to manage individual ABA memberships through one centralized point. Group membership offers a single consolidated invoice, specialized offerings, and dedicated Group Specialists to assist you.

CREATING YOUR ABA GROUP MEMBERSHIP . . . IN 4 EASY STEPS

Step 1:
Complete the first two sections of the Group enrollment form, including Group Firm/Organization and Group Administrator Information. The role of the administrator is to make individual membership updates and to facilitate payment of the consolidated invoice.

Step 2:
Fill out the Member/International Lawyer/Affiliated Professional (formerly Associate) Information section by gathering pertinent information from current ABA members at your office as well as from individuals who would like to join the ABA. If possible, please provide the ABA ID# for all current members. For any new lawyer members, original bar admission date and state is required to complete their enrollment in the ABA. International Lawyer status is available to non-U.S. lawyers, and Affiliated Professional status for anyone not admitted to the bar in the U.S. with an interest in the law.

Step 3:
Indicate any ABA Section, Division, and Forum enrollments for each individual. These specialty groups are customized to each area of practice and career stage. Members enjoy networking opportunities with others in their practice area, across the nation, and get the latest and most in-depth information from the leading experts. The ABA strongly encourages all members to sign up for at least one Section to take full advantage of their affiliation. Please indicate whether your office covers the cost of ABA Sections, Divisions, and Forums in the Group Firm/Organization Information section.

Step 4:
Send the completed form by mail, fax, or email to the following:
