Update your member profile or view your account details by visiting www.abanet.org/myaba.

Please check the committees below that you would like to join

Committee membership provides opportunities for professional interaction among members and helps members educate themselves and others about a specific topic. Active participation in a committee is not required to receive committee information, but you will have the opportunity to write articles, speak on a panel, or otherwise showcase your expertise. Membership in the ABA and the Section of Science & Technology Law are required before joining a committee.
