

2007-2008 STRATEGIC PLAN

INTRODUCTION

The purpose of this Strategic Plan is to provide the Commission on Women with an organic instrument to use in the planning and implementation of its ongoing works. This Strategic Plan was developed in the 2006-2007 bar year and adopted by the Commission on August 10, 2007.

MISSION

To secure full and equal participation of women in the ABA, the profession and the justice system.

GOALS

Goal 1: Visibility

To secure a larger audience of the Commission's work and widen our sphere of influence.

Goal 2: Relationship with the ABA

To strengthen and expand Commission relationships with the ABA.

Goal 3: Advocacy

To pursue the goals of the Commission through zealous and effective advocacy.

Goal 4: Organization

To develop and nurture an internal organization that furthers the goals of the Commission and ensures the Commission and its members prosper and grow in relationship to its work.

Goal 5 - Programming

To ensure all Commission programs will directly advance the full and equal participation of women lawyers in the legal profession.
