

TELECONFERENCE

The Brains Behind the Deals: Insights from Neuroscience for Litigators, Deal Makers and Dispute Resolvers

DECEMBER 14, 2010
12:00 - 1:15 PM Eastern Time

Professor Richard Birke will provide valuable insight into the fascinating connection between neuroscience and legal negotiation. Professor Birke will discuss recent advances in technology that have allowed scientists unprecedented access to the brain as it makes decisions, considers whether to accept or reject an offer, and how it reacts to new information.
