Subject: Report of the Nominating Committee

In accordance with the Section's Bylaws, the Nominating Committee hereby submits its report of nominations for the 2009-2010 Association year. The members of the Committee met numerous times by telephone and in person to consider a broad range of candidates for possible nomination. The Committee sought candidates who have demonstrated a commitment to and proactive mindset regarding the Section, its activities and its services to members and who reflect the diversity of the Section's membership. In addition, the Committee sought candidates who have the capacity and would be likely to provide the Section with strong leadership for many years.

The Nominating Committee is honored to present a superb slate of leaders. Our nominations for the 2009-2010 Association year follow. The Committee believes that the Section will be well served by these individuals and expresses its appreciation for all the suggestions it received during its deliberations.

Respectfully submitted,

Jeffrey Golden
Chair, Nominating Committee

** The total of 19 (a) reflects the recent adoption of a Bylaw increasing the number of At-Large Council Members from 15 to 18, and (b) takes into account a provision in the Bylaws which authorizes the Nominating Committee to nominate up to two additional At-Large Council Members to fill positions (for a one-year term) that would otherwise be vacant due to the fact that certain individuals are voting members of the Council by virtue of two different positions they hold. In 2009-2010, one person (Michael Byowitz) will be a voting member of the Council both by virtue of the Bylaw provision that the four most immediate past Section Chairs serve as voting members of the Council and because he serves as one of the Section's Delegates to the ABA House of Delegates. The Nominating Committee has nominated Robert Stein to serve as an additional At-Large Council Member for a one year term in view of the two voting positions held by Mr. Byowitz.
