

North Carolina Bar Association (Midyear Meeting 1990)

BE IT RESOLVED, That the American Bar Association supports the lawyers, judges and public officials of Colombia who have refused to surrender their country, their judicial system, or the rule of law to those who traffic in drugs and death, and urges the President and the Congress to provide all appropriate assistance to help our brave colleagues stem the destructive flow of cocaine and other drugs which threaten not only their country, but ours.

BE IT FURTHER RESOLVED, That the American Bar Association provide such support to the judicial system of Colombia as may be appropriate.
