

Preamble
American Judicature Society, Center for Judicial Ethics

The Center for Judicial Ethics [CJE] of the American Judicature Society observes that it might be for the Commission to add language to the Preamble that discusses the difference between the judicial branch and the legislative and executive branches of government.

In addition, the CJE observes that the Code's occasional use of "must" instead of "shall" is confusing since the word "must" is not defined in the Preamble.
