Canon 2

Rule 2.04 and Rule 2.09

Professor Parness first notes that Rule 2.04 is somewhat similar to the proposed Rule 2.06, but that the final draft of Rule 2.09, dealing with fairness in settlement discussions, is quite dissimilar from the draft version of 2.09 which was subtitled “Ensuring the Right to be Heard”. He proposes that material from the original draft on ensuring the right to be heard be moved to Rule 2.06 and that Rule 2.09 be retitled “Facilitating Settlement”.
