Stephen L. Comprised of prominent lawyers and jurists, the 22-member Task Force was created by President Zack to develop recommendations and strategies to address the under-funding of the judicial system and the courts' ability to provide access to justice for Americans. The first public hearing of the Task Force was held in Atlanta on February 9, 2011 and, according to those in attendance, provided astonishing examples of how the depletion of resources for the courts has impacted the justice system's capacity to function. In spring 2011, the Task Force will conduct a hearing in New Hampshire, where jury trials have been suspended and court employees have been furloughed.

President Zack and Mr. Tober commended Task Force Co-Chairs Boies and Olson for the significant amount of time they have devoted to the work of the Task Force. President Zack also acknowledged former ABA President Dennis Archer, a member of the Task Force, who was in attendance at the Board meeting.

On behalf of the FJE Council, he thanked the Board for this excellent accomplishment. Mr. Kopit also introduced ABA/FJE Director Krista D. Kauper and commended Ms. Kauper and her staff for their outstanding work.
