

## 2008-2009 Public Service Project: Voices Against Violence

Did your bar association implement the ABA YLD Voices Against Violence public service program or any other domestic violence programs this bar year? If so, please tell us more about it. We are collecting information about these programs to develop a directory or list of domestic violence public service projects being implemented by our affiliates and young lawyers around the country.

Please take a moment and complete the form below to submit your program or describe what efforts you took to implement Voices Against Violence (e.g. teen dating violence program; legislative advocacy; fundraiser or service project for local dv shelter; hosting a local dv roundtable; or recruiting lawyers to take dv pro bono cases). Please submit your program to Renee Lugo via email at [lugor@staff.abanet.org](mailto:lugor@staff.abanet.org), or by mail to Renee Lugo, ABA YLD Public Service Team, 321 N. Clark Street, 18th Floor, Chicago, IL 60654-7598.
