### 25th Edition of the Sales & Use Tax Deskbook

Join the Tax Section in celebrating the release of the 25th Edition of the *Sales & Use Tax Deskbook*. Designed for in-house tax professionals, attorneys, and accountants, this multistate resource compiles information about sales and use taxes from every state that imposes them. Not only does the *Deskbook* set out the key principles and positions in each state (with citations to pertinent statutes, regulations, and case law), it also contains important interpretive information—gleaned from rulings, bulletins, and other local lore—that is often impossible for out-of-state practitioners to find. Edited by **Mike Young, Gregg Barton, and Bob Mahon**, Perkins Coie LLP, the *Sales & Use Tax Deskbook* draws from the long-term contributions and expertise of almost 100 members of the Tax Section's State and Local Taxes Committee and has—together with the *Property Tax Deskbook*—been a cornerstone of the Section's publishing activities for many years.
