Discovery of Mental Health Records in Custody Disputes

by *Carlton Stansbury*

Contested custody cases can present a conflict between the court's interest in searching out the truth and a party's right to privacy as recognized by the privilege surrounding one's mental health records. [This month's featured article](#), which covers a topic that was featured at the recent Fall Meeting in Milwaukee, explores how this conflict impacts both the parents in dramatically different ways, and impacts the guardian ad litem's ability to evaluate the child's best interests.

Past and Present CLE

This month's featured benefit: Family Advocate Client Manuals

What are they?

How can I use them in my practice?

How do I order copies?

What are they?

You all know that the Section sends you four Family Advocates every year, but have you noticed that the summer issue is formatted to be used as a client manual?

Released this past summer, the updated and expanded *Surviving Your Divorce* and *Beyond* offers practical advice for clients on:

- Understanding the divorce
- Communicating with a lawyer
- Keeping costs down
- Knowing when to settle

How can I use them in my practice?

Give your clients tangible, easy to read information about what they can expect during their divorce and child custody proceedings.

& the Commission on Immigration seek Pro Bono Assistance

The Section is currently partnering with the ABA Commission on Immigration to provide pro bono assistance for unaccompanied immigrant child victims of persecution, trafficking and other violence. [Find out more](#)
