

Annual Meeting Unified Family Court Walk Through and Dialogue

Section members are invited to join ABA Section of Family Law leaders, State and Local Bar members, Fulton County Court judges, and leaders and members of the ABA Coordinating Council on Unified Family Courts for a Family Court Walk Through and Meet and Greet.

This informal and informative morning will be an excellent opportunity to really see how the Fulton County system operates and meet with the judges, administrators and attorneys who have advanced the concept of the unified family court in Fulton County.

Date: Friday, August 6, 2004
Time: 8:30am-10:00am
Location: Courtroom 1C in the Fulton County Courthouse located at: 185 Central Avenue, S.E. Atlanta, Georgia 30303

Unified Family Courts use a team approach to the resolution of family disputes. This team approach allows the courts to address the family and its long term needs as well as the problem of the individual litigant. The unified family court combines the elements of the family court and juvenile court along with other resources such as social services. The UFCs insistence on collaboration of the court staffs and other units allow for the excellence in support and service to the clients and the community.
