

Instructions for Purchasing Tickets or Adding Events to your Annual Meeting Registration

1. Access the Annual Meeting home page at <http://www.abanet.org/annual/2004/home2.html>
2. Scroll down to the left margin and click on "On Line Housing, Registration and Event Tickets"
3. Scroll down to "Already Registered"
4. Click on "please click here to view your arrangements"

You will then go to a page that asks for your confirmation ID number and last name (you should have received your confirmation number from ITS) and that will take you to the "Section and Social Events" page, simply scroll down to Family Law and you will be directed to another screen to purchase tickets.

If you have additional questions about adding events, please call Sena Leach at 312-988-5613.
