

## **The Section of Family Law Wants You!**

If you have ever served or are currently serving in the military we would like to know about it.

During the Section's 2005 Fall CLE Conference scheduled for September 28 to October 1, 2005 in San Diego, we have a number of activities planned for current and former military service members. Plans include programming on military law and a luncheon where we would like our Section members who are also service members to be recognized. Additionally, we have planned a terrific Friday night social event a MCAS Miramar that is not to be missed! If you are a Section of Family Law member who is currently serving or has served in the Military or Reserves please let us know by contacting section staff at 312-988-5613 or via e-mail at [brownl@staff.abanet.org](mailto:brownl@staff.abanet.org)
