

Spring CLE Conference, Destination Austin!

The Section of Family Law will meet April 13-16, 2005 in Austin, Texas for the 2005 Spring Committee and CLE Conference.

Situated at the center of the Lone Star State, this incredible city stands as the gateway to the Texas Hill Country and the Highland Lakes. Austin is a culturally rich environment home to the Lyndon B. Johnson Library, larger than life Bob Bullock Texas History Museum and the spectacular Lady Bird Johnson Wildflower Garden. In the evening Austin visitors enjoy numerous music options—as the city is known as the “live music capitol of the world.” Another capitol—the Texas statehouse is an impressive structure a full 14 feet taller than the U.S. Capitol, it is the largest domed statehouse in the country!

A full complement of CLE programming is being planned with sessions on estate planning; technology; adoption; immigration; Hague Convention; parenting plans; UIFSA and UCCJEA among the topics to be covered.

Our Friday evening networking event takes us to the historic Driskill Hotel for an evening rich in history, heritage and a party as big as Texas itself.

See you in the Lone Star State!
