

2003-2004 Section Committee Leaders Named

Section committee chairs and vice chairs have been named for the coming year, and many are already in the process of planning programming in the coming months. Since committees need members to put ideas into action, committee chairs are always looking for new members.

Committee membership offers a great opportunity to become more involved in the work of the Section. Committee members are the cores of the Section, and through their efforts, the Section is able to serve as the national forum for the discussion and debate of family law issues.

All of the Section's committee leaders urge you to become involved by joining with them in their work. So join a committee by contacting Section of Family Law staff person Lindy Brown at 312/988-5145 or via e-mail at BrownL@staff.abanet.org.

Also, please be sure to offer you congratulations and thanks the section committee leaders for 2003-2004 association year.
