

Seattle Meeting Follow-Up

Over 250 Section of Family Law members and their guests attended the Fall CLE Conference last month in Seattle. CLE programming highlights included an insightful plenary session on seizing and deciphering computer evidence that involved a direct examination of a computer forensic specialist.

Additional sessions were offered on commingling and tracing assets and crafting age appropriate visitation plans.

Other meeting highlights included a stirring luncheon address from Dr. Sarah Weddington; a stellar “evening under the wings” at the Seattle Museum of Flight; and a program on “Careers in Family Law” that was attended by over 100 local law students interested in embarking on a career in family law.

A limited number of course books are available for \$80 for ABA Section of Family Law members/\$125 for nonmembers (plus \$5.95 handling) through the ABA Service Center at 1-800-285-2221, or order via e-mail at <mailto:service@abanet.org>. Ask for PC5130124.

Audiotapes for all CLE programs are available from Reliable Communications at 1-800-388-5709.
