

## Section Honors Wisconsin Pro Bono Attorneys

Earlier this month the Section of Family Law honored four Wisconsin attorneys for their pro bono service. In an awards ceremony during the Section's Council meeting, Pro Bono Committee Chair Jean Crowe presented Milwaukee attorneys **Julie Darnieder** and **Dan Hanranan** with their awards. Other Wisconsin winners not present at the ceremony were **Barbara Gnat** of Milwaukee and **Timothy Young** of Oshkosh. The four Pro Bono Award recipients logged hundreds of hours of legal service to Wisconsin families and children in need of assistance.

The Section of Family Law honors local attorneys with this award during its fall and spring meetings. Pro Bono Award winners receive a complimentary conference registration, award certificate and their choice of Section of Family Law publications.
