

## Fall CLE Conference Wrap Up

Over 250 Section of Family Law members and their guests attended the Fall CLE Conference in stunning San Diego, California, September 28th-October 1st.

Comprehensive CLE programming featured in-depth sessions on direct examination of financial experts, high-profile cases and same sex marriage. The section's committees presented programming on elder law issues, ethics, determining income and practice management. The Section of Family Law would like to thank the [program moderators and speakers](#) for their participation.

While in San Diego, conference attendees took advantage of a number of networking opportunities during two conference receptions, breakfasts and luncheons, committee meetings and the afternoon shopping excursion to LaJolla.

Another highlight of the conference was a trip to the Marine Corps Air Station at Miramar. Attendees toured the flight line accompanied by some of our nation's best military pilots, then it was off to the Officer's Club for dinner and a real old-fashioned USO Show which showcased the "talents" of a number of section members. Photos from the event can be seen [here](#).

The Section of Family law would like to acknowledge our [conference sponsors and exhibitors](#) for there generous underwriting of this conference and its special events.

Didn't make it to San Diego? Ordering information for the CD Rom of the conference materials can be obtained by contacting Sena Leach of the Section staff at [Leachse@staff.abanet.org](mailto:Leachse@staff.abanet.org). Audio-tapes and audio-CDs of all conference sessions are available from Reliable Communications. [Download an order form](#).
