

Nominations needed for **ABA Family Law Pro Bono Awards**

The Family Law Section of the American Bar Association will be meeting in Milwaukee on the 20th through the 23rd of October. We would like to honor four outstanding local attorneys who have made significant **pro bono** contributions to Family Law clients in Wisconsin. If there is someone in your local program that you would like to nominate for this award, please email the name and reason for nomination to me at your earliest convenience. Please include the number of hours of casework donated, and/or the willingness to accept complex cases. The award consists of free registration at the conference, a plaque, publicity in the local newspaper (if we can manage it) and an ABA publication of the award recipient's choice.

Thank you for your attention to this matter.

Jean Crowe
Chair, Pro Bono Awards Committee
