**SEPTEMBER 2009 ENEWS - MEMBER SPOTLIGHT**  
**ABA SECTION OF TAXATION**

Eve Rose Borenstein is a partner in *Borenstein and McVeigh Law Office (BAM!)*, a Minnesota law firm serving nonprofits, and the base of Eve's national tax practice. Separate from her practice of law, Eve also operates a teaching and speaking consultancy offering instruction on nonprofit and exempt organization mandates, *Eve Rose Borenstein, LLC*.

Eve received her law degree from the University of Minnesota in 1985 and worked for a "Big 8" accounting firm tax department prior to initiating solo practice serving tax-exempt non-profit corporations in 1988. 15 years later, the "BAM" Law Office was created when Eve's longstanding law practice merged with that of another nonprofit solo practitioner, Ellen W. McVeigh.

In her legal practice and through her teaching and speaking, Eve works to assist diverse nonprofit organizations with tax-exemption qualification, corporate planning and compliance. She has been an active member of the Section of Taxation's Exempt Organizations (EO) Committee since the early 1990's, and liaisons from that Committee both to the American Institute of Certified Public Accountants' Exempt Organization Technical Resource Panel and to the Section of Taxation's Pro Bono Committee. She credits the Exempt Organizations Committee overall (and its leadership specifically) in providing the life-blood and safety net from which she was able to develop her technical skills and practice.

Over the last five years, Eve's participation in the Section of Taxation has included her providing trainings to non-EO tax lawyers on assisting non-profit, exempt organizations at Pro Bono Committee meetings (one training was converted to an article in *The Practical Tax Lawyer*, "Potholes To Avoid In Road-Tripping With 501(c)(3) Organizations", Winter 2007); facilitating last January's Section program for New Orleans-area nonprofits in which EO-experienced attorneys provided *pro bono* consults; and spearheading an effort in 2004 to assist the IRS in getting its exempt organization resources announced through the offices of State agencies that incorporate non-profit entities.
