
STATE STANDARDS FOR APPOINTMENT OF COUNSEL IN DEATH PENALTY CASES
LAST UPDATED: APRIL 2016

INTRODUCTION

This memo was prepared by the ABA Death Penalty Representation Project. It contains counsel appointment standards in states with the death penalty (including those that have repealed the death penalty but where prisoners remain on death row). Where practical, we have quoted the relevant language and provided citations. If the cited language does not come from a readily available source or is too long to reprint in full, we have attempted to provide an active link where the standards can be found. These links may become inactive over time, but copies of the documents are maintained separately by the Death Penalty Representation Project. *Every effort has been made to provide complete and current information as of the date of publication, but we urge you to independently confirm that the information is still current before relying on anything contained in this memo.* If you believe that any information in this memo is incorrect or missing, or if you have further questions, please contact the Death Penalty Representation Project at (202) 662-1738 or deathpenaltyproject@americanbar.org.

Alabama:

Section 13A-5-54 (2008) of the Code of Alabama states that any person indicted for a capital felony who is unable to afford a lawyer “must be provided with court appointed counsel having no less than five years' prior experience in the active practice of criminal law.”

Section 13A-5-54 applies only to representation at trial and the “first appeal as of right”:

Clearly, the Legislature, by enacting this provision, intended that an indigent defendant charged with a capital offense have experienced appointed counsel at all critical phases of the initial adjudicative process for which a defendant is entitled to effective assistance of counsel. . . .

Thus, we conclude that a capital defendant is clearly entitled to the representation called for by § 13A-5-54 at all stages of the trial, including sentencing and other critical posttrial proceedings. . . .

Based on the plain language of § 13A-5-54 and on the general purpose of the Act from which that Code section was taken, we conclude that the requirements of that Code section apply only to appellate representation for a defendant who has been sentenced to death, upon the first appeal as of right.

Arizona:

Sections 13-4041(B) and (C) of the Arizona Revised Statutes (2008) requires the court to appoint counsel “to represent the capital defendant in the state postconviction relief proceeding.” If counsel cannot be appointed from the state capital postconviction defender office, the court must appoint counsel who meets the following qualifications:

1. Be a member in good standing of the state bar of Arizona for at least five years immediately preceding the appointment.
2. Have practiced in the area of state criminal appeals or postconviction proceedings for at least three years immediately preceding the appointment.
3. Not previously have represented the capital defendant in the case either in the trial court or in the direct appeal, unless the defendant and counsel expressly request continued representation and waive all potential issues

Section 13-4041(C) provides that the supreme court “may establish by rule more stringent standards of competency for the appointment of postconviction counsel in capital cases than are provided by this subsection.” In 2006 the Arizona Supreme Court amended Rule of Criminal Procedure 6.8 to require the following qualifications of post-conviction counsel:

- a. **General.** To be eligible for appointment in a capital case, an attorney
 - (1) Shall have been a member in good standing of the State Bar of Arizona for at least five years immediately preceding the appointment;

- (2) Shall have practiced in the area of state criminal litigation for three years immediately preceding the appointment; and
- (3) Shall have demonstrated the necessary proficiency and commitment which exemplify the quality of representation appropriate to capital cases.

b. Trial Counsel.

(1) **Lead counsel.** To be eligible for appointment as lead counsel, an attorney must meet the qualifications set forth in section (a) of this rule and the following:

- (i) Shall have practiced in the area of state criminal litigation for five years immediately preceding the appointment;
- (ii) Shall have been lead counsel in at least nine felony jury trials that were tried to completion and have been lead counsel or co-counsel in at least one capital murder jury trial;

- (iv) Shall have attended and successfully completed, within one year prior to the initial appointment, at least six hours of relevant training or educational programs in the area of capital defense, and within one year prior to any subsequent appointment, at least twelve hours of relevant training or educational programs in the area of criminal defense.

(2) **Co-counsel.** To be eligible for appointment as co-counsel, an attorney must be a member in good standing of the State Bar of Arizona and shall have attended and successfully completed, within one year prior to the initial appointment, at least six hours of relevant training or educational programs in the area of capital defense, and within one year prior to any subsequent appointment, at least twelve hours of relevant training or educational programs in the area of criminal defense. Section (b)(1)(iii) applies to co-counsel.

c. Appellate and Post-conviction Counsel. To be eligible for appointment as appellate or post-conviction counsel, an attorney must meet the qualifications set forth in section (a) of this rule and the following:

- (1) Within three years immediately preceding the appointment have been lead counsel in an appeal or post-conviction proceeding in a case in which a death sentence was imposed, as well as prior experience as lead counsel in the appeal of at least three felony convictions and at least one post-conviction proceeding that resulted in an evidentiary hearing. Alternatively, an attorney must have been lead counsel in the appeal of at least six felony convictions, at least two of which were appeals from first or second degree murder convictions, and lead counsel in at least two post-conviction proceedings that resulted in evidentiary hearings.
- (2) Have attended and successfully completed, within one year prior to the initial appointment, at least six hours of relevant training or educational programs in the area of capital defense, and within one year prior to any subsequent appointment, at least twelve hours of relevant training or educational programs in the area of criminal defense.

The Kentucky Department of Public Advocacy (DPA) provides and supervises indigent defense in capital cases (as well as other cases) in Kentucky. Pursuant to section 31.030(4) of Kentucky Revised Statutes, the DPA has the responsibility for "[d]eveloping and promulgating standards and regulations, rules, and procedures for administration of the defense of indigent defendants in criminal cases."

The goal of the Kentucky Department of Public Advocacy is to meet the ABA Standard for appointment and performance of counsel in death penalty cases. They have developed a policy and procedure manual that deals with the guidelines they adopted in November 1999 for the handling of capital cases, which states:

The Trial Division formally adopted the *ABA Guidelines for the Appointment and Performance of Counsel in Death Penalty* cases with the direction that only that portion of the Guidelines that deals with performance of counsel shall be formally adopted. The portion of the Guidelines, which address appointment of counsel in death penalty cases, shall not be formally adopted, but are to be utilized for reference as the standard toward which to strive in representing our clients. Those Guidelines which refer to the appointment of defense counsel in a capital case, though not formally adopted, should nonetheless be considered with the full weight and effect of the operational goals in order to insure the best possible representation for our clients.

Louisiana:

Louisiana Supreme Court Rule XXXI (2008) sets the standards for indigent defendants. Section (A)(1) states:

In any capital case in which a defendant is found to be indigent, the court shall appoint no less than two attorneys to represent the defendant. At least two of the appointed attorneys must be certified as qualified to serve in capital cases as provided below. The court shall designate one of the appointed attorneys to be lead counsel, the other(s) as associate counsel. The court shall only designate as lead and associate counsel those attorneys who have either been previously certified by the Louisiana Indigent Defender Board and whose certification is still in good standing or those attorneys who, after December 31, 1997, may be certified by the district court judge handling the case pursuant to Paragraph (b) of Subsection 1 of this Section. The certification of attorneys by district court judges shall remain in effect until such time as the Indigent Defense Supplemental Assistance Board is able to review and evaluate the standards and capital certification procedures for either continuation, discontinuation, or modification.

Until such time as the Indigent Defense Supplement Assistance Board shall address this matter, each district judge, presiding over a capital case, shall maintain and enforce the capital certification procedures previously developed by the Louisiana Indigent Defender Board.

The Board's standards are set forth at La. Admin. Code tit. 22, pt. XV (2011)

§1901. Purpose, Findings and Intentions

A. The Standards for attorneys representing indigent defendants in capital cases are intended to serve several purposes. First and foremost, the Standards are intended to encourage public defenders, assistant public defenders, and assigned counsel to perform to a high standard of representation and to promote professionalism in the representation of indigent capital defendants. These Standards apply to trial level, appellate, and postconviction representation. It is the intention of these rules to adopt and apply the Standards for capital defense set out by the American Bar Association's Guidelines for the Appointment and Performance of Defense Counsel in Death Penalty Cases, its associated commentary, and the Supplementary Guidelines for the Mitigation Function of Defense Teams in Death Penalty Cases

§1903. General Standards for Capital Defense Counsel

1. In order to provide high quality legal representation, counsel should have a mastery of any substantive criminal law and laws of criminal procedure that may be relevant to counsel's representation. Counsel should also be familiar with the prevailing customs or practices of the relevant court, and the policies and practices of the prosecuting agency.
 2. In providing representation at any stage in a capital case, counsel should be familiar with all applicable areas of law relevant to capital trials, appeals, and state and federal post-conviction relief.
 3. Prior to agreeing to undertake representation in a capital case, counsel should have sufficient experience or training to provide high quality representation. Counsel should not accept a capital case assignment unless he or she has been certified for the specific level of representation assigned, and has the necessary knowledge and skills to handle the particular case.
 4. If after being assigned a case counsel finds that the case involves particular issues or procedures in which counsel does not have the experience or training necessary to provide high quality legal representation, counsel should acquire the necessary knowledge or skills or request resources for another attorney to provide such services.
 5. In providing high quality representation, counsel should consult with and take advantage of the skills and experience of other members of the criminal defense community and certified capital defenders, in particular. Further, where considerations of timing, resources or the interests of the client make it appropriate, counsel should request assignment of an additional attorney(s). Similarly, where appropriate, counsel should request assignment of an additional attorney(s) with specialized experience or knowledge to assist directly in particular aspects of the representation.
 6. Capital defense counsel should complete a comprehensive training program in the defense of capital cases as required by the Capital Guidelines. Counsel should, on an ongoing basis, attend and successfully complete specialized training programs in the defense of capital cases. In addition to specific training, counsel should stay abreast of changes and developments in the law and other matters relevant to the defense of capital cases.
 7. As a component of acquiring and maintaining adequate training, counsel should consult with other attorneys to acquire knowledge and familiarity with all facets of criminal representation, including information about practices of judges, prosecutors, and other court personnel. More experienced counsel should offer to mentor less experienced attorneys.

Mississippi:

Mississippi Rules of Appellate Procedure 22(d) and (e) set forth the standards for post-conviction counsel in a death penalty case:

(d) Standards and Qualifications for Attorneys Appointed or Retained to Represent Those Under Sentence of Death in Post-conviction Proceedings.

Counsel representing those under a sentence of death seeking post-conviction relief shall,

- (1) Be admitted to practice law in Mississippi, being a member in good standing of the Bar for at least five years immediately preceding the appointment, or admitted pro hac vice pursuant to order entered under M.R.A.P. 46 and being a member in good standing of that attorney's home jurisdiction for a like period immediately preceding the appointment,
- (2) Be admitted to practice in the federal courts of Mississippi and before the Fifth Circuit, or, in the case of attorneys appearing pro hac vice, admitted to the federal district courts and the circuit court of appeals having jurisdiction in their home areas,
- (3) Have practiced in the area of state criminal appeals or post-conviction proceedings for three years immediately preceding appointment,
- (4) Have not previously represented the capital petitioner in the case either in the trial court or in the direct appeal, unless the petitioner and counsel expressly request continued representation and waive all potential issues that are foreclosed by continued representation, and
- (5) Have within five years immediately preceding the appointment been counsel in an appeal or post-conviction proceeding in a case in which a death sentence was imposed, and have prior experience as counsel in the appeal of at least three felony convictions and at least one post-conviction proceeding; or, in the alternative, have within such period been counsel in the appeal of at least six felony convictions, at least two of which were appeals from murder convictions and counsel in at least two post-conviction proceedings.

Provided, however, under exceptional circumstances, and with the consent of the Supreme Court, an attorney may be appointed who does not meet the stated qualifications upon a showing that the attorney's experience, stature and record enable the Court to conclude that the attorney's ability significantly exceeds the standards set forth in the rule.

(e) Education and Training of Attorneys Appointed or Retained to Represent Those Under Sentence of Death in Post-conviction Proceedings. Effective July 31, 2000, an attorney serving as post-conviction counsel in a case wherein the petitioner is under a sentence of death shall have within one year prior to his appointment or employment successfully completed twelve hours training or educational programs in the area of capital defense through a program accredited by the Mississippi Commission on Continuing Legal Education or by the American Bar Association.

No such similar standards exist for trial or appellate-level counsel.

Missouri:

Rule 24.036(b) (and the identical Rule 29.16(b)) provides that:

- (b) All counsel appointed as provided in this Rule 24.036 shall be members of The Missouri Bar or shall be admitted to practice in the particular case as provided in this Court's Rule 9. At least one of the counsel shall meet the following qualifications:

 - (4) Have participated in either state or federal court as counsel or co-counsel to final judgment in at least:
 - (A) three felony jury trials; or
 - (B) five direct criminal appeals in felony cases.
-

Montana:

In Montana, various statutes grant the Public Defender Commission and the Office of Public Defender Standards the authority to create standards for the qualifications and performance of counsel in death penalty cases.

From Office of Public Defender Standards: available at:
<http://publicdefender.mt.gov/2012GovReport/Standards.pdf>

VI. QUALIFICATIONS AND DUTIES OF COUNSEL

Goal: Counsel must meet these minimum standards before accepting a case. In order to provide effective representation, counsel must engage in regular and ongoing training.

- A. In order to assure that clients receive the effective assistance of counsel to which they are constitutionally and statutorily entitled, counsel providing public legal representation should meet the following minimum professional qualifications:
- a. Satisfy the minimum requirements for practicing law in Montana as determined by the Montana Supreme Court;
 - b. Complete twenty hours of continuing legal education within each calendar year from courses, offered or approved by the Office of the State Public Defender, relating to public defender practice or representing persons whose liberty is at risk as a result of State-initiated proceedings;
 - c. Comply with all other training requirements established by the Training Coordinator of the Office of the State Public Defender and approved by the Public Defender Commission; including, but not limited to, mental health disabilities, cultural competency, and drug dependency.

d. In order to provide quality legal representation, counsel must be familiar with the substantive criminal law and the law of criminal procedure and its application in the State of Montana. Counsel has a continuing obligation to stay abreast of changes and developments in the law;

e. The foregoing requirements shall be deemed satisfied if counsel is representing clients pursuant to the Student Practice Rule and is being directly supervised by a supervising attorney who meets the standards required for felony defense set forth below.

B. Additional trial attorneys' qualifications according to type of case:

a. Death penalty representation. Each attorney acting as lead counsel in a death penalty case shall meet the standards for competency of counsel for indigent persons in death penalty cases adopted by the Montana Supreme Court, and those set forth in the American Bar Association Guidelines for the Appointment and Performance of Defense Counsel in Death Penalty Cases (rev. ed. 2003);

The Montana Supreme Court set forth its own standards in two separate orders: *IN THE MATTER OF THE PROPOSED ORDER ESTABLISHING STANDARDS FOR COMPETENCY OF COUNSEL APPOINTED TO REPRESENT INDIGENT PERSONS IN PROCEEDINGS UNDER TITLE 46, CHAPTER 21, WHO ARE SENTENCED TO DEATH* and *IN THE MATTER OF THE PROPOSED ORDER ESTABLISHING STANDARDS FOR COMPETENCY OF TRIAL AND APPELLATE COUNSEL APPOINTED TO REPRESENT INDIGENT PERSONS IN CAPITAL CASES* (published in 24-AUG Mont. Law. 23 (1999)):

Trial Phase

2. Upon establishment of indigency as provided in Title 46, Chapter 8, Part 1, Montana Code Annotated, and identification of a case as one in which the prosecutor believes sufficient evidence exists to show that one or more statutory aggravating factors under beta 46-18-303, MCA, can be proved to the *24 appropriate standard of proof, the district court shall appoint two counsel to represent the defendant.

3. In selecting appointed counsel, the district court shall secure sufficient information from counsel to be appointed, either in writing or on the record, to satisfy the district court that counsel possess the following minimum qualifications:

A. Both appointed attorneys must be members in good standing of the State Bar of Montana or admitted to practice before the district court pro hac vice.

B. Both counsel must have completed or taught, in the two-year period prior to appointment or within 90 days after the appointment, a continuing legal education course or courses, approved for credit by the appropriate authority under the rules adopted by the Montana Supreme Court, at least 12 hours of which deal with subjects related to the defense of persons accused or convicted of capital crimes.

C. Counsel, either individually or in combination, must have had significant experience within the past 5 years in the trial of criminal cases to conclusion, including a capital case or a case involving charges of or equivalent to deliberate homicide under Montana law.

D. The nature and volume of the workload of both appointed counsel is such that they will have the ability to spend the time necessary to defend a capital case.

E. Counsel are familiar with and have a copy of the current American Bar Association standards for the defense of capital cases. By adoption of this provision, the Montana Supreme Court does not hold that adherence to the guidelines is required as a condition of providing effective assistance of counsel, or that failure to adhere to the guidelines gives rise to an inference of ineffective assistance of counsel.

Direct Appeal

1. If a defendant is sentenced to death and is determined by the district court to be indigent, the district court shall appoint two attorneys to represent the defendant on direct appeal.

2. In selecting appointed counsel for appeal, the district court shall secure sufficient information from counsel to be appointed, either in writing or on the record, to satisfy the district court that counsel possess sufficient appellate experience to provide adequate representation to the defendant on appeal and the following minimum qualifications:

A. Both appointed attorneys must be members in good standing of the State Bar of Montana or admitted to practice before the district court pro hac vice.

B. Both counsel must have completed or taught, in the two-year period prior to appointment or within 90 days after the appointment, a continuing legal education course or courses, approved for credit by the appropriate authority under the rules adopted by the Montana Supreme Court, at least 12 hours of which deal with subjects related to the defense of persons accused or convicted of capital crimes.

C. Counsel, either individually or in combination, must have had . significant experience within the. past 5 years in the appeal of criminal cases, including a capital case or a case involving charges of or equivalent to deliberate homicide under Montana law.

D. The nature and volume of the workload of both appointed counsel is such that they will have the ability to spend the time necessary to appeal a capital case.

E. Counsel are familiar with and have a copy of the current American Bar Association standards for the defense of capital cases.

By adoption of this provision, the Montana Supreme Court does not hold that adherence to the guidelines is required as a condition of providing effective assistance of counsel, or that failure to adhere to the guidelines gives rise to an inference of ineffective assistance of counsel.

Post-Conviction

2. The district court shall appoint two counsel.

One of the appointed counsel may be an attorney who has been admitted pro hac vice. Lead counsel shall satisfy all of the following:

- A. He or she must be an active member in good standing of the Montana State Bar or be admitted pro hac vice.
- B. He or she must have at least 5 years criminal trial, criminal appellate, or state or federal postconviction experience, which experience may have been obtained in Montana or in another jurisdiction.
- C. He or she must have completed or taught, in the two-year period prior to appointment or within 90 days after the appointment, a continuing legal education course or courses, approved for credit by the appropriate authority under the rules adopted by the Montana Supreme Court, at least 12 hours of which deal with Subjects related to the defense of persons accused or convicted of capital crimes.

3. In addition, the appointed counsel, either individually or in combination, shall have the following qualifications obtained in Montana or another jurisdiction:

- A. Experience as Counsel for either the defendant or the state in the trial of one deliberate Homicide case;
- B. Experience as counsel for either the defendant or the state in the trial of three felony cases;
- C. Experience as counsel for either the defendant or the state in the direct appeal of three felony convictions; and
- D. Experience as counsel for either the petitioner or the state in three cases involving claims for state postconviction or federal habeas corpus review.

Nebraska:

In Nebraska, standards/qualifications for death penalty counsel are established by the Nebraska Commission on Public Advocacy, working in conjunction with the Indigent Defense Standards Advisory Council. Exact standards are not available. However, the statutes authorizing the Commission on Public Advocacy and the Indigent Defense Standards Advisory Council to establish the standards appear below:

Statute outlining duties of Nebraska Commission on Public Advocacy:

29-3927 Commission; duties. (1) With respect to its duties under section 29-3923, the commission shall:

- (g) **Adopt guidelines and standards, for county indigent defense systems, including, but not limited to, standards relating to the following:** The use and expenditure of funds appropriated by the Legislature to reimburse counties which qualify for reimbursement; **attorney eligibility and qualifications for court appointments;**

compensation rates for salaried public defenders, contracting attorneys, and court-appointed attorneys and overall funding of the indigent defense system; maximum caseloads for all types of systems; systems administration, including rules for appointing counsel, awarding defense contracts, and reimbursing defense expenses; conflicts of interest; continuing legal education and training; and availability of supportive services and expert witnesses.

Nevada:

The Supreme Court of Nevada adopted standards and qualifications for counsel in capital cases. The standards and qualifications are available at the following website:

<http://www.co.washoe.nv.us/repository/files/36/ADKT411.CapPerfStds.pdf>

The qualification requirements appear to be consistent with the ABA Guidelines. See Standard 2-2.

New Hampshire:

In 2007, the New Hampshire Public Defender sent a letter to the presiding trial court judge confirming that the office complies with the ABA Guidelines, which includes the qualification requirements for capital defense counsel. See:

<http://www.courts.state.nh.us/caseinfo/pdf/addison/2007/july/AddisonNHPDapp'tconfirmLTR-KAM.pdf>

In 2015, the New Hampshire Judicial Council adopted post-conviction performance and eligibility standards (available at <https://www.nh.gov/judicialcouncil/documents/capital-post-conviction-counsel.pdf>). The eligibility section provides:

In order to serve as lead counsel for a defendant in a capital post-conviction proceeding:

- Counsel must provide a written proposal in advance of appointment that shows, based on the volume of the record and the circumstances of the defendant's case, that he or she can reasonably forecast, and meet, the demands of providing high quality representation.

- Counsel should be familiar with the procedure for setting execution dates and providing notice of them. Counsel should also be thoroughly familiar with all available procedures for seeking a stay of execution.
- Counsel must demonstrate a thorough understanding of how to preserve a client's right to federal review, including ensuring that a client is not time-barred from seeking relief.
- Counsel must be familiar with the capital post-conviction performance standards promulgated by the New Hampshire Judicial Council.

New Mexico: (Death Penalty Repealed 2009)

Public defender standards created in 1998 provided that capital defense counsel must comply with NLADA standards for death penalty cases: "Attorneys handling death penalty cases should consult the National Legal Aid and Defender Association's Standards for Appointment and Performance of Counsel in Death Penalty Cases (1987, amended 1988)." These standards were previously available on the public defender's website, but they have since been removed.

In 2004, a State Bar of New Mexico Task Force to Study the Administration of the Death Penalty in New Mexico prepared a report that it submitted to the Board of Bar Commissioners. The report recommended enhanced qualification requirements for capital defense counsel. This report is on file with the ABA Death Penalty Representation Project.

Oklahoma:

The capital trial counsel application form, which is promulgated by the Oklahoma Indigent Defense System, provides, “ the Oklahoma indigent defense system board has adopted the American Bar Association guidelines for the appointment and performance of counsel in death penalty cases. This application and questionnaire is designed to facilitate the determination of whether an attorney possesses the minimum necessary qualifications under those guidelines to be included on the roster of attorneys who are willing to accept appointments as either lead counsel or co-counsel to represent an indigent defendant at the trial level in capital murder cases.”

See http://www.ok.gov/OIDS/documents/ques_trl.pdf

This language is particularly relevant because the Oklahoma Indigent Defense System has the statutory authority to set standards for the qualifications of counsel in capital cases. See Okla. Stat. §§ 22-1355.1 through 22-1355.7.

Oregon:

The Oregon Office of Public Defense Services has adopted the ABA Guidelines’ requirements for qualifications of counsel in death penalty cases. See <http://courts.oregon.gov/OPDS/docs/Reports/pdscdeathpenaltyreportandplan.pdf>

Pennsylvania:

Rule 801 of the Pennsylvania Rules of Criminal Procedure provide qualification requirements for capital defense counsel:

Rule 801. Qualifications for Defense Counsel in Capital Cases.

In all cases in which the attorney for the Commonwealth has filed a Notice of Aggravating Circumstances pursuant to Rule 802, before an attorney may participate in any stage of the case either as retained or appointed counsel, the attorney must meet the educational and experiential criteria set forth in this rule.

- (1) EXPERIENCE: Counsel shall
 - (a) be a member in good standing of the Bar of this Commonwealth;

- (b) be an active trial practitioner with a minimum of 5 years criminal litigation experience; and
- (c) have served as lead or co-counsel in a minimum of 8 significant cases that were given to the jury for deliberations. If representation is to be only in an appellate court, prior appellate or post-conviction representation in a minimum of 8 significant cases shall satisfy this requirement. A “significant case” for purposes of this rule is one that charges murder, manslaughter, vehicular homicide, or a felony for which the maximum penalty is 10 or more years.

(2) EDUCATION:

(a) During the 3-year period immediately preceding the appointment or entry of appearance, counsel shall have completed a minimum of 18 hours of training relevant to representation in capital cases, as approved by the Pennsylvania Continuing Legal Education Board.

(b) Training in capital cases shall include, but not be limited to, training in the following areas:

- (i) relevant state, federal, and international law;
- (ii) pleading and motion practice;
- (iii) pretrial investigation, preparation, strategy, and theory regarding guilt and penalty phases;
- (iv) jury selection;
- (v) trial preparation and presentation;
- (vi) presentation and rebuttal of relevant scientific, forensic, biological, and mental health evidence and experts;
- (vii) ethical considerations particular to capital defense representation;
- (viii) preservation of the record and issues for post-conviction review;
- (ix) post-conviction litigation in state and federal courts;
- (x) unique issues relating to those charged with capital offenses when under the age of 18; and
- (xi) counsel’s relationship with the client and family.

(c) The Pennsylvania Continuing Legal Education Board shall maintain and make available a list of attorneys who satisfy the educational requirements set forth in this rule.

Comment: The purpose of this rule is to provide minimum uniform statewide standards for the experience and education of appointed and retained counsel in capital cases, to thus ensure such counsel possess the ability, knowledge, and experience to provide representation in the most competent and professional manner possible. These requirements apply to counsel at all stages of a capital case, including pretrial, trial, post-conviction, and appellate.

An attorney may serve as “second chair” in a capital case without meeting the educational or experience requirements of this rule. “Second chair” attorneys may not have primary responsibility for the presentation of significant evidence or argument, but may present minor or perfunctory evidence or argument, if deemed appropriate in the discretion of the court. Service as a “second chair” in a homicide case will count as a trial for purposes of evaluating that attorney’s experience under paragraph (1)(c) of this rule.

Note: Adopted June 4, 2004, amended January 11, 2016, effective April 1, 2016.

South Carolina:

The relevant statute in South Carolina (Title 16-3-26(B)(1)) provides the following qualifications for capital defense counsel:

“Whenever any person is charged with murder and the death penalty is sought, the court, upon determining that such person is unable financially to retain adequate legal counsel, shall appoint two attorneys to defend such person in the trial of the action. One of the attorneys so appointed shall have at least five years' experience as a licensed attorney and at least three years' experience in the actual trial of felony cases, and only one of the attorneys so appointed shall be the Public Defender or a member of his staff. In all cases where no conflict exists, the public defender or member of his staff shall be appointed if qualified. If a conflict exists, the court shall then turn first to the contract public defender attorneys, if qualified, before turning to the Office of Indigent Defense.”

In addition, the South Carolina Appellate Court Rules provide additional guidance. Specifically, Rule 421 provides that for capital cases, “Lead counsel shall have at least five years experience as a licensed attorney and at least three years experience in the actual trial of felony cases,” and that co-counsel must “have at least three years experience as a licensed attorney. Second counsel is not required to be further certified to be eligible for appointment.”

Rule 608(f)(1) addresses the appointment of counsel for trial and post-conviction: “Lead Counsel in Death Penalty Cases. The appointment of a lead counsel to represent an indigent defendant in a death penalty case shall be made from the list of members specified in (c)(1)(A) above who have been death penalty certified as lead counsel by the Supreme Court; provided, however, that lawyers who are not certified may be appointed as lead counsel in a post-conviction relief action for a death-sentenced inmate if they have previously represented a death-sentenced inmate in a state or federal post-conviction relief proceeding as provided by S.C. Code Ann. § 17-27-160.”

South Dakota:

SDCL § 23A-40-7 provides for appointed counsel in criminal cases:

The board of county commissioners of each county and the governing body of any municipality shall provide for the representation of indigent persons described in § 23A-40-6. The board or body shall provide this representation by any or all of the following:

- (1) Establishing and maintaining an office of a public defender;
- (2) Arranging with the courts in the county to appoint attorneys on an equitable basis through a systematic, coordinated plan; or
- (3) Contracting with any attorney licensed to practice law in this state.

In those counties which have established an office of public defender, any proceedings after judgment may be assigned to the public defender.

(e) Attorneys who represent the defendant in the trial court in a capital case may be designated to represent the defendant on direct appeal, provided at least one trial attorney qualifies as new appellate counsel under section 3(g) of this rule and both attorneys are available for appointment. However, new counsel will be appointed to represent the defendant if the trial court, or the court in which the case is pending, determines that appointment of new counsel is necessary to provide the defendant with effective assistance of counsel or that the best interest of the defendant requires appointment of new counsel.

(f) If new counsel are appointed to represent the defendant on direct appeal, both attorneys appointed must be licensed in Tennessee, unless in the sound discretion of the judge, appointment of one attorney admitted under Tennessee Supreme Court Rule 19 is appropriate.

Post-Conviction

(h) Counsel eligible to be appointed as post-conviction counsel in capital cases must have the same qualifications as appointed appellate counsel, or have trial and appellate experience as counsel of record in state post-conviction proceedings in three felony cases, two homicide cases, or one capital case. Counsel also must have a working knowledge of federal habeas corpus practice, which may be satisfied by six hours of specialized training in the representation in federal courts of defendants under the sentence of death imposed in state courts; and they must not have previously represented the defendant at trial or on direct appeal in the case for which the appointment is made, unless the defendant and counsel expressly consent to continued representation.

Competency Hearings

(i) No more than two attorneys shall be appointed to represent a death-row inmate in a proceeding regarding competency for execution. See *Van Tran v. State*, 6 S.W.3d 257 (Tenn. 1999). Virginia:

Virginia Code §19.2-163.8 instructs the Public Defender Commission, in conjunction with the Virginia State Bar to adopt standards for the appointment of counsel in capital cases. Virginia Administrative Code Title 6, Chapter 10 (6 VA ADC 30-10-10) sets forth these qualifications for trial, appellate and habeas counsel:

Pursuant to § 19.2-163.8 E of the Code of Virginia, the Public Defender Commission, in conjunction with the Virginia State Bar, hereby sets forth the following standards for appointed counsel determined to be qualified and possessing proficiency and commitment to quality representation in capital cases. While § 19.2-163.7 of the Code of Virginia, effective July 1, 1992, does not require more than one attorney, the appointment of two attorneys is strongly urged for trial, appellate and habeas proceedings. Thus, the standards often refer to “lead counsel” and “co-counsel.” If a public defender is appointed as either “lead” or “co-counsel,” the other attorney should be appointed from the private bar.

A. Trial counsel

1. Court-appointed "lead counsel" shall:

- a. Be an active member in good standing of the Virginia State Bar or admitted to practice pro hac vice.
- b. Have at least five years of criminal litigation practice with demonstrated competence.
- c. Have had, within the past two years, some specialized training in capital litigation.
- d. Have at least one of the following qualifications:
 - (1) Experience as "lead counsel" in the defense of at least one capital case;
 - (2) Experience as "co-counsel" in the defense of at least two capital cases;
 - (3) Experience as "lead counsel" (or as lead prosecutor) in at least five felony jury trials in Virginia courts involving crimes of violence which carry, upon conviction, a minimum sentence of at least five years imprisonment.
- e. Be familiar with the requisite court system, including specifically the procedural rules regarding timeliness of filings and procedural default.
- f. Have demonstrated proficiency and commitment to quality representation.

2. Court-appointed "co-counsel" must:

- a. Meet all of the requirements of "lead counsel" except as set forth in subdivisions 1 b and 1 d.
- b. Have at least one of the following qualifications:
 - (1) Experience as "lead counsel" or "co-counsel" in a murder trial;
 - (2) Experience as "lead" or "co-counsel" in at least two criminal jury trials.

B. Appellate counsel. Attorneys qualifying as court appointed "lead counsel" under subsection A 1 automatically qualify as "lead" appellate counsel. Other appointed appellate counsel must meet the following requirements:

1. Be an active member in good standing of the Virginia State Bar or admitted to practice pro hac vice.
2. Have briefed and argued the merits in:
 - a. At least three criminal cases in an appellate court; or
 - b. The appeal of a case in which the death penalty was imposed.
3. Have had, within the past two years, some specialized training in capital case litigation and be familiar with the rules and procedure of appellate practice.

C. Habeas corpus counsel.

1. Habeas corpus "lead counsel" shall satisfy one of the following requirements:
 - a. Be qualified as "lead counsel" pursuant to subsection A 1 and possess familiarity with Virginia as well as federal habeas corpus practice.
 - b. Possess experience as counsel of record in Virginia or federal post conviction proceedings involving attacks on the validity of one or more felony convictions as well as a working knowledge of state and federal habeas corpus practice through specialized training in the representation of persons with death sentences.
2. Habeas corpus "co-counsel" shall satisfy one of the following requirements:
 - a. Service as "lead" or "co-counsel" in at least one capital habeas corpus proceeding in Virginia or federal courts, or both, during the last three years;
 - b. Have at least seven years of civil trial and appellate litigation experience in the Courts of Record of the Commonwealth or federal courts, or both.

Washington:

Washington Superior Court Rules SPRC 2 (effective Jan. 1, 2003) states the requirements for appointment of counsel in death penalty cases "for trial and appeal":

All counsel for trial and appeal must have demonstrated the proficiency and commitment to quality representation which is appropriate to a capital case. Both counsel at trial must have five years' experience in the practice of criminal law be familiar with and experienced in the utilization of expert witnesses and evidence, and not be presently serving as appointed counsel in another active trial level death penalty case. One counsel must be, and both may be, qualified for appointment in capital trials on the list, unless circumstances exist such that it is in the defendant's interest to appoint otherwise qualified counsel learned in the law of capital punishment by virtue of training or experience. The trial court shall make findings of fact if good cause is found for not appointing list counsel.

At least one counsel on appeal must have three years' experience in the field of criminal appellate law and be learned in the law of capital punishment by virtue of training or

experience. In appointing counsel on appeal, the Supreme Court will consider the list, but will have the final discretion in the appointment of counsel.

Wyoming:

The Wyoming Office of the Public Defender has adopted the 2003 ABA Guidelines with respect to qualifications for the appointment of counsel in capital cases. “Furthermore, the Public Defender must provide high quality representation in capital cases pursuant to the federal and state constitutional law and the ABA Guidelines for Appointment and Performance of Defense Counsel in Death Penalty Cases, Revised Edition, February, 2003, as well as the ABA Supplementary Guidelines for the Mitigation Function of Defense Teams in Death Penalty Cases. During FY13, the Public Defender provided representation in 7 capital cases. Providing this representation requires the appointment of at least 2 qualified attorneys, a fact investigator and mitigation specialist to each defense team. One member of the defense team must be qualified by training and experience in screening for mental illness and impairment.”
