MEMBER DIRECTORY OF ADR PRACTITIONERS

WOMEN IN DISPUTE RESOLUTION COMMITTEE

MARCH 2015
**2015 WIDR Member Directory of ADR Practitioners**

**Introduction**

The WIDR (Women in Dispute Resolution) Member Directory of ADR Practitioners is a searchable pdf of WIDR members. In order to assist those seeking to increase the number of women used as dispute resolution neutrals, names, specific practice areas, types of practice, and geographic location along with their website links have been provided.

This is a listing of those members who responded to the survey we sent out in November 2014, and as such is not a comprehensive list of all WIDR members. A complete listing of WIDR members can be found on our website: [WIDR Membership List](#).

For WIDR members who may have missed the opportunity to respond to the November survey, the membership list will be updated on an annual basis. An email notification will be sent in the fall of 2015 and the monthly WIDR report will also include a reminder.

Thank you again to David Moora and the staff for helping to create the first directory of women in dispute resolution.
