Join our lineup of International LGBT legal experts as they provide an overview and discussion on the current states of International LGBT rights issues!

This program will consider advances and set-backs to marriage equality and human rights in countries around the world. Speakers will discuss anti-gay laws that have been enacted around the globe including the anti-gay propaganda laws in Russia, the anti-sodomy laws in India, the harsh imprisonment laws in Nigeria, and the atrocities taking place in Egypt.

The program will discuss the mixture of advances and set-backs in the framework of international human rights and will also consider how and whether activities by associations outside the adversely-affected nations can help the situation of LGBT persons in those countries.

The ABA directly applies for and ordinarily receives CLE credit for ABA programs in AK, AL, AR, AZ, CA, CO, DE, GA, GU, HI, IA, IL, IN, KS, KY, LA, MN, MS, MO, MT, NH, NM, NV, NY, NC, ND, OH, OK, OR, PA, SC, TN, TX, UT, VT, VA, VI, WA, WI, and WV. These states sometimes do not approve a program for credit before the program occurs. This course is expected to qualify for 1.5 CLE credit hours in 60-minute states, and 1.8 credit hours in 50-minute states. This transitional program is approved for both newly admitted and experienced attorneys in NY. Attorneys may be eligible to receive CLE credit through reciprocity or attorney self-submission in other states.
